FOOD MATTERS WINDSOR ESSEX COUNTY Presents

## GROWING FOOD PARTNERSHIPS

A working session to expand partnerships for a healthy food system in Windsor and Essex County

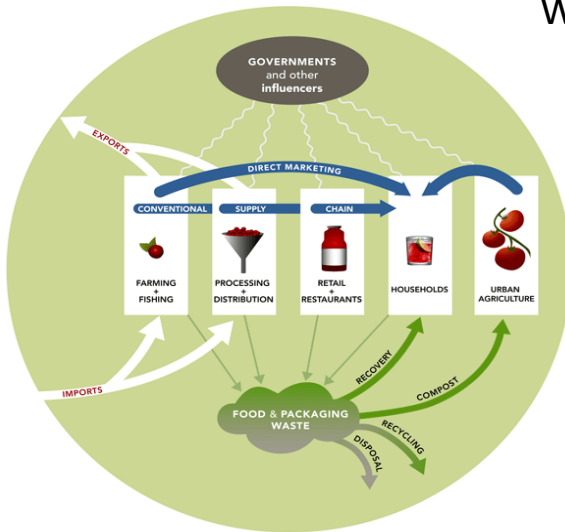

**Saturday March 3, 2012**

Food matters to everyone!

In October 2010 the community gathered for the Food Matters Forum. Food initiatives were mapped out, gaps were identified and priorities determined. The number one priority was to obtain a Coordinator to move forward on the strategy and build partnerships. The Coordinator is now in place.

The seeds have been planted...now it's time to continue growing!

The **GROWING FOOD PARTNERSHIP Working Session** is about doing the work and taking action on the priorities. Be a part of this partnership to create the answers. Together we can make Windsor and Essex County a healthier place to live, work, play and EAT!
