

NOTICE OF PUBLIC INFORMATION CENTRE

TRAIL NETWORK DESIGN (Ellison Avenue to Talbot Road West)

People who live, own property or operate businesses along the Leamington Trail Corridor from Ellison Avenue to Talbot Road West, are invited to attend a community information session to review the draft final design plans for the trail network design from Ellison Avenue to Talbot Road West.

WHEN : Wednesday, May 5th, 2010
2:00 p.m. until 7:00 pm

WHERE: Leamington Kinsmen Recreation Complex
249 Sherk Street, Leamington, Ontario

Trail from Ellison Avenue to Talbot Road West will:

- Connect to the existing trail network from Sherk Street to the Marina area will be approximately 3.6 km in length.
- Create a direct link between two secondary schools, two elementary schools and the Leamington Kinsmen Recreation Complex.
- Avoid pedestrian travel along our busy urban streets.
- Connect to the future 14 km trail extending in the north of Leamington to the Town of Lakeshore Boundary.
- Possibly connect to a regional trail network in the County of Essex.

Those who attend will have the opportunity to:

- Meet Municipal Staff and Consultants responsible for the trail design and construction.
- View and comment on the trail design.
- Share your thoughts about this new section of trail or the future trail system, and how it may affect your property or business, your lifestyle, or the community at large.

Following this public information session, the plans will be presented to Leamington Council for final approval, after which tendering and construction may begin.
