Service to the Community Award:

The Committee will recommend to Council with respect to an organization or a deserving group of individuals, whose single project brings the greatest benefit, comfort or hope to the citizens of Leamington.

- a) The honour is available to any service, fraternal or other non-profit organization.
- b) Projects must not be self-serving, but rather, essentially charitable in nature. They may be fundraising, personal service or educational, and may be undertaken in conjunction with affiliated neighbouring groups, but must confer at least some of their direct benefit within Leamington.
- c) Projects may have extended over more than one year, but may only be proposed in a year during which demonstrated benefit within Leamington is being realized.

I recommend the following group whose single project brought the greatest benefit, comfort or hope to the citizens of Leamington:

Their project/contribution:
