

Leamington Business Directory

Updating and Creating a Business Listing Guide

Creating a New Business Listing

- Go to <http://map.windsor-essex.info>
- Before creating a new listing, please ensure that the business is not already listed by first searching the database
- Click “Add or Update Listing”
- Click “Create New Listing”
- Fill out the application form and click “Continue”
- Please allow 1-2 business days for processing

Updating a Business Listing

- Go to <http://map.windsor-essex.info>
- Click “Add or Update Listing”
- To update an existing business listing, you will need to know the directory ID and password. If directory ID is unknown, search the database for the business listing, click “More Details”, then click the “online” link at the bottom of the page. If password is unknown, and you have an email address on file, simply type it in the space and click “Email my password”. If there is no email address on file, email directory@countyofessex.on.ca with your Directory ID.
- After logging in, fill out any changes to the form and click “Continue”
- Please allow 1-2 business days for processing
