One-stop convenience for a wide variety of support resources including:

Free Consultations (by appointment ONLY)

- One-on-one consultations on all aspects of starting a small business in Windsor-Essex;
- Guidance on licenses, permits, registration, regulations and other forms and documents required to start and build a business;
- Advice and support on preparing a business plan, loan application, cash flow forecast, government rules and regulations and government financial assistance;
- Research and support in finding suppliers for the equipment and inventory you need to start your business.

Free Computer Access (by appointment)

- Internet and computer access for business research and planning;
- Prepare promotional items, including business cards, letterhead, brochures, and business forms using our easy-to-use software;
- Develop a professional business plan using our business planning software tools;
- Prepare draft legal documents (Tip: Having a draft prepared ahead of time will help keep costs down when visiting a lawyer for their advice);
- Online tools and resources at your fingertips.

Free On-Site Business Resource Centre

- Hundreds of business books and business plans;
- Current demographic and market research sources;
- Up-to-date, leading-edge information that's yours for the taking – booklets, pamphlets, brochures, and articles – all geared to the needs of the entrepreneur;
- Access to current resource materials, including Canadian and American Directories and Trade Indexes;
- Import and export information;
- Information on patents, copyrights, and trademarks;
- Business Magazines for your interest and research;
- A listing of business shows and exhibitions – and much, much more!
