Occupants of:
Residential houses # 604 - # 645 of Highway #77 North of
Mercea Road 6 within the Municipality of Leamington.

Dear Occupants:

The Windsor-Essex County Health Unit has been informed that
the water line serving your residence has been damaged and
possibly contaminated.

As a precaution, Dr. G. Allen Heimann, Medical Officer of
Health, is advising you to use bottled water or water brought to
a rolling boil for at least one minute for human consumption.

Your water service will be repaired, flushed and tested to ensure
your safety. The Windsor-Essex County Health Unit will notify
you upon successful resolution.

If you have any questions, please contact 519-818-4334.

Sincerely,

Deb Bennett,
Director Health Protection
