How to read your tax bill

- 1 Your PIN# required to set up online services.
- 2 Your roll number (19 digits) account number for online payments.
- 3 If a mortgage company is paying your taxes, the name and number appears here.
- 4 Property owner name and mailing address.
- 5 Current property address and legal description relating to the roll number.
- 6 Final billing details. A yearly calculation of assessed value times the tax rate. This area shows a breakdown of rates for sewer, municipal, county and education. Rural properties could see yearly municipal drain maintenance amounts.
- 7 Special charges include yearly charges not included in the levy calculation eg. garbage collection (GFG, GGU) and local improvement charges.
- 8 Summary of bill charges. A positive past due amount is arrears, an amount showing in brackets is a credit. Total amount due is the net.
- 9 Reminder notes will show here.
- 10 Tear off remittance slips. Detach this to accompany your payment. First installment is on the bottom, second installment on top.
- 11 Second Installment amount due with due date if you are not on a pre-authorized payment plan.
- 12 If you are on a pre-authorized payment plan, this note is your reminder payment is made automatically.
- 13 First Installment amount due with due date if you are not on a pre-authorized payment plan. Past due amount is valid only for the month the bill is printed and must be paid immediately to avoid further penalty.
