

Comment Sheet

Southeast Leamington Graduated Risk Floodplain Mapping Project

We want to hear from you! We value your feedback. By completing this comment sheet, your feedback and insights about the project will be considered as the project moves forward.

Please Print Your Name and Contact Information Below

Name: _____ Telephone: _____

Address: _____ E-mail: _____

1. What is the most important aspect of the project?

2. With respect to flooding and erosion hazards, what are the most vulnerable areas in Southeast Leamington?

3. What are your priorities when evaluating long-term solutions to the coastal hazards in Southeast Leamington (overall cost, cost to landowners, sustainability of the solution, staying on the land, protection and enhancement of the coastal ecosystem)?

Please submit your written comments before leaving the meeting or mail / email them by
December 13, 2019.

- email to ggraziano@leamington.ca or
- return in person or by mail to the Municipality of Leamington, 111 Erie Street North, Leamington, ON, N8H 2Z9 Attention: Engineering Services
