1. Do you agree with the top priorities for evaluating the long-term infrastructure solutions for Southeast Leamington from the first Public Meeting (November 27, 2019):

- I. Calculating overall costs and determining who pays,
- II. Ensuring sustainability of the long-term solution(s),
- III. Receiving financial assistance from government,
- IV. Remaining on our land without retreat/re-location,
- V. Receiving compensation for loss of property.

2. Please share your ideas for long-term sustainable solutions to reduce coastal hazards in Southeast Leamington (avoid, retreat, accommodate, and protect).

Please submit your written comments before leaving the meeting or mail / email them by
January 31, 2020.

- email to ggraziano@leamington.ca or
- return in person or by mail to the Municipality of Leamington, 111 Erie Street North, Leamington, ON, N8H 2Z9 Attention: Engineering Services

3. How much would you be willing to pay to protect your private property in Southeast Leamington with a long-term (50-year) infrastructure and/or shoreline protection solution (select one option)?
