

COUNCIL MATTERS

At the Leamington Council meeting held on August 8, 2017, Council:

- Approved the purchase of a dump body, hoist, plow, wing, salter and necessary attachments in the amount of \$102,094 (plus HST) from Viking-Cives, Mount Forest, Ontario.
- Granted an easement to Essex Powerlines Corporation to construct an overhead hydro service over the lands legally described as Part of Hazelton Street, Plan 226, designated as Part 4 on 12R-27017 and Part of Park Lot B, Registered Plan 226, Leamington, designated as Part 3 on Plan 12R-27017.
- Authorized entering into an agreement with Southshore Broadcasting Inc. for the recording and broadcasting of all regular and special meetings of Council.
- Approved the development control agreement between MZM Resource and Development Inc. and The Corporation of the Municipality of Leamington for the development of the MZM Developments Residential Plan of Subdivision (37-T-11002), subject to the approval of the final servicing drawings and to include provisions to require the following:
 - a. The development proceed in two phases; and
 - b. A best efforts clause for the Municipality to collect costs associated with oversizing of the sanitary sewer from future benefitting lands;
- Council also approved the street name requested by MZM Resource and Development Inc. being Olive Drive.
