- 1 Standard Minor Variance - simple; requires minimal staff review (no supporting studies or documents)
- 2 Complex Minor Variance - requires extensive staff review (multiple supporting documents or studies)
- 3 Minor OPA - a small-scale exception to a specific Official Plan standard/policy (e.g. minor change); a change to a specific policy that is limited in scope and typically limited to one property; maintains the intent and purpose of the Official Plan; shall have limited impact or policy implications beyond the subject lands.

Schedule E Planning Services Fees

(applicable taxes will be added to all fees)

Description of Fee or Service	2026 Fees
	\$
4 Major OPA - a re-designation or change in land use for a property or properties; requires many changes to the policies and schedules of the Official Plan; and; any application that due to the broader policy implications of the Municipality would require the need to provide, review or manage studies.	
5 Minor ZBA - small-scale amendment having no impact to abutting lands. Changes within current zone category, including site-specific re-zoning; or involves re-zoning related to a "surplus lot consent" whereby the remnant parcel of farmland must be re-zoned to ensure that new residential dwellings are prohibited on any vacant remnant parcel of farmland created by the severance.	
6 Major ZBA - more significant in scale and scope, which may have greater impact beyond the subject lands. Associated with an Official Plan Amendment; associated with a Plan of Subdivision or Condominium; any application involving multiple properties, and; any Application that requires the review of technical support documents or studies (e.g. environmental impact assessment, transportation studies, compatibility studies, etc.)	
7 A deposit or the balance of a deposit held by the Municipality that remains unclaimed for a period of seven (7) years may be transferred to the general funds of the Municipality.	
8 Combined Application Discount - applications that include more than one application type (minor variance, consent, zoning, official plan).	
9 Minor SPC Pre-consultation - new accessory buildings/structures or additions to existing buildings not exceeding 929 square metres (10,000 sq. ft) or up to 3 storeys in building height or; changes to landscaping, parking, grading or drainage areas up to 0.6 hectare (1.5 acres) in land area, including revisions to building elevations, patios or additions thereto.	
10 Major SPC Pre-consultation - new main buildings of any size, or cumulative additions greater than 929 square metres (10,000 sq. ft) or greater than 3 storeys in building height or; involves comprehensive changes to on-site grading/servicing/drainage, or cumulative changes to a parking area exceeding 0.6 hectare (1.5 acres).	
11 Recirculation (SPC) - pre-consultation fee includes initial pre-consultation circulation & results letter + 1 round of re-circulation. All subsequent submissions are subject to this fee.
