

THE CORPORATION OF THE MUNICIPALITY OF LEAMINGTON

BY-LAW 769-07

Being a by-law to permit the Municipality to exercise its powers under its "waste management" sphere of jurisdiction in the Corporation of the Municipality of Leamington

WHEREAS pursuant to Section 74 of the *Municipal Act*, S.O. 2001, c. 25, the Municipality may exercise its powers under its "waste management" sphere of jurisdiction in the Municipality;

AND WHEREAS pursuant to Section 127 of the *Municipal Act*, S.O., 2001, c. 25 a local Municipality may require the owner or occupant of land to clean and clear the land or to clear refuse or debris from the land;

AND WHEREAS pursuant to Section 425(1) of the *Municipal Act*, S.O. 2001, c.25 the Municipality may provide that a person who contravenes the by-law is guilty of an offence and is liable to a fine;

AND WHEREAS pursuant to Section 446 (3) of the *Municipal Act*, 2001, S.O. 2001 c.25, the Municipality may recover the costs of doing a matter or thing under subsection 446 (1) from the person directed or required to do it by action or by adding the costs to the tax roll and collecting them in the same manner as property taxes;

NOW THEREFORE THE CORPORATION OF THE MUNICIPALITY OF LEAMINGTON BY ITS COUNCIL ENACTS AS FOLLOWS:

DEFINITIONS:

1. In this by-law,

"Ashes" means the residue from the burning of coal, coke and wood, generated at a dwelling on residential premises and includes soot, or other cleanings from chimneys or outdoor barbeques, but shall not include ashes which are generated as a result of building construction or demolition.

"Collectible Waste" means household garbage, household trash, compostable yard waste and household white goods that have been generated on residential premises within the geographical limits of the Municipality.

"Compostable Yard Waste" shall mean grass cuttings, garden refuse, bushes and leaves, generated on residential premises.

"Dwelling or Dwelling Unit" means a suite of rooms occupied as an independent and separate housekeeping unit in which separate kitchen, sleeping and sanitary facilities are provided for the exclusive use of the occupants.

“Hazardous Waste” means waste that poses a present or potential danger to human beings or other organisms because it is toxic, explosive, reactive, corrosive, radioactive, pathological or otherwise poses substantial risk to human life and includes, but is not limited to:

- (a) tires, paint, batteries, automotive parts,
- (b) insecticides, herbicides, acids, caustics, infected materials, and
- (c) any substance which may be classed as a “designated substance” pursuant to the *Occupational Health and Safety Act*, R.S.O, 1990 c. o.1, as amended.

“Highway” shall have the same meaning as provided in the *Municipal Act*, R.S.O., c. M.45.

“Household Garbage” means all kitchen and table waste, of animal or vegetable origin, resulting from the preparation or consumption of food in a dwelling on residential premises, ashes, broken crockery and non-recyclable paper and glassware, and such other discarded materials which are generated at a dwelling or residential premises but shall not include household trash.

“Household Trash” includes weighty or bulky materials such as mattresses, furniture, boxes, used Christmas trees and any other large discarded materials which are generated on residential premises but shall not include white goods, trade waste or any trash accumulated from a place of business or other non-collectible wastes as defined in this by-law.

“Municipality” means The Corporation of the Municipality of Leamington.

“Municipal Council” means the council of the Municipality.

“Municipal Engineer” means the Engineer employed by the Municipality.

“Non-collectible Waste” shall mean any waste that is not collectible waste and shall include but not be limited to:

- (a) Plaster, or other waste resulting from building, alteration or demolition operations;
- (b) Swill, liquid waste, or organic matter which has not been drained and wrapped in accordance with the provisions of this by-law;
- (c) Dressings, bandages, or other infected materials from hospitals, surgeries, or offices of physicians, surgeons, dentists or veterinarians;
- (d) Feces of any dog, cat or fowl unless it is securely wrapped in paper, a plastic bag, or container;
- (e) Carcasses or part thereof, of any dog, cat, fowl or any other creature with the exception of bonafide kitchen waste;
- (f) Transient waste;

- (g) collectible waste which has not been put out for collection in conformity with the provisions of this by-law;
- (h) Trade waste;
- (i) Recyclable refuse;
- (j) Natural soil, earth, sand, clay, gravel, loam, stones, rocks or other similar material;
- (k) Any material which has become frozen to the receptacle and cannot be removed by shaking;
- (l) Septic tank pumpings, raw sewage sludge and industrial process sludge;
- (m) Hazardous waste;
- (n) Trees or tree stumps, with the exception of used Christmas trees.

“Owner” means the registered owner, occupant, tenant, or person in charge of the property, or the person for the time being managing or receiving the rent for the property whether on his or her account or on the account of an agent or trustee or an any other person.

“Place of Business” means any place, other than residential premises and includes any hotel, motel, restaurant, shop, store, shopping centre, plaza, service station, commercial or industrial office, industrial plant other commercial establishment, school, institution and public building, or any building containing more than 5 dwelling units.

“Public Lane” means any lane or alley accepted by by-law of the Municipality as a public thoroughfare, and which has been adjudged to be of sufficient width and condition for use by vehicles used for the collection of all collectible wastes as defined in this by-law.

“Recyclable Refuse” means newspaper, uncontaminated cardboard, non-returnable glass bottles or jars, ferrous and aluminum cans, motor oil and polyethylene terephthlate beverage containers.

“Residential Premises” means an individual property that contains at least one dwelling and no more than 5 dwellings.

“Trade Waste” includes ashes, garbage and refuse which are generated at a place of business.

“Transient Waste” means any refuse, trash or waste carried into the Municipality from outside its boundaries by any person.

“White Goods” means all household metal items and includes washers, dryers, stoves, refrigerators, hot water tanks, air conditioners and furnaces.

ADMINISTRATION

2. The Municipality shall operate a system for the collection, removal and disposal of collectible waste in accordance with the provisions of this by-law.

CONTAINERS OR RECEPTACLES

3. (1) Collectible waste shall be placed in a household type container, bundle or non-returnable plastic bag.
- (2) A household type container shall comply with the following specifications:
 - (a) The height shall not be more than zero point seven (0.7 M) metres;
 - (b) The diameter shall not be more than zero point four (0.4 M) metres;
 - (c) It shall be constructed of material which have an equivalent durability to number 28 gauge metal;
 - (d) It shall have a water-tight lid and two (2) handles; and
 - (e) Each household-type container when full shall weigh not more than twenty-two (22 kg) kilograms.
- (3) Bundles shall be compacted and tied to the following specifications:
 - (a) The length shall not be more than zero point six (0.6 M) metres;
 - (b) The diameter shall not be more than zero point six zero (0.6 M) metres;
 - (c) The weight shall not exceed twenty-two (22 kg) kilograms; and
 - (d) When tied, the cord, twine or string, shall be of sufficient strength to permit the lifting and loading of the bundle into the collection vehicle. Wire shall not be used to tie the bundle.
- (4) A non-returnable plastic bag shall be:
 - (a) Of a capacity of not more than zero point eight (0.8M3) cubic metres and not less than zero point six (0.6M3) cubic metres;
 - (b) Composed of material of not less than 1-1/2 mil gauge material capable of carrying twenty-two (22 kg) kilograms of contents without tearing; and
 - (c) Securely tied when put out for collection.
- (5) Household type containers, bundles and non-returnable plastic bags not in compliance with section 3.(2), (3) and (4) hereof and water soaked or broken containers will not be collected.

PREPARATION OF WASTE

4. (1) Collectible waste shall be drained and either placed in a non-returnable plastic bag or wrapped and placed in a household container.
- (2) Ashes, when put out for collection, shall be cold and placed in a sealed non-returnable plastic bag, and the total weight of which shall not exceed twenty-two (22) kilograms.
- (3) Any sharp objects or broken glass shall be secured with materials so that any sharp object or broken glass shall not pierce the wrapper and no uncollectible waste or rubbish shall be placed therein.
- (4) Any collectible waste, ashes or sharp objects or broken glass not in accordance with the provisions of section 4 hereof shall not be collected.

LOCATION OF COLLECTIBLE WASTE TO BE COLLECTED

5. (1) No person shall place collectible waste out for collection except in accordance with this section.
- (2) No person shall place collectible waste, except in approved receptacles placed in a location which is not a nuisance to any neighbour.
- (3) Collectible waste shall be placed for collection in accordance with the following:

(a)	Highways with concrete curbs or in the Downtown Business Improvement Area.	garbage to be placed directly behind the curb
(b)	Highways with concrete sidewalks tightly abutting the curb except in the Downtown Business Improvement Area	garbage to be placed directly behind the sidewalk on property on owner's side
(c)	Highways with boulevards between sidewalks and curbs	garbage to be placed directly behind the curb
(d)	Highways with gravel road shoulders	garbage to be placed on the edge of the road shoulder of the highway furthest from the paved area
(e)	Where garbage collection is provided in public lane or alleyway	garbage to be placed as close as possible to the edge of the land or Alleyway
- (4) No person shall place garbage so as to impede or obstruct pedestrian or vehicular traffic or maintenance operations.

- (5) Where, for any reason, collection of garbage and refuse cannot be made from the location specified in this Part, items to be collected pursuant to this by-law shall be placed at locations designated by the Municipal Engineer and his decision shall be final.

SETTING OUT GARBAGE COLLECTION

6. During normal daytime collection, collectible waste shall be put out between the hours of 10:00 p.m. on the day before collection and 7:30 a.m. on the day of collection.

DETERMINING COLLECTION DAYS

7. For the purpose of the collection of household garbage, household trash, compostable waste, and white goods, the Municipal Engineer may direct that the Municipality be divided into as many collection zones or districts as may be deemed necessary and may fix a day or days on which each shall be collected. A public notice and map will be published annually in the local newspaper(s) or a calendar shall be made available at no cost to every resident and property owner in the Municipality indicating the aforementioned collection zones and days.

MONTHLY RATE

8.
 - (1) A monthly rate shall be charged to the owner of each residential premises on a per dwelling unit basis.
 - (2) The monthly rate shall be established by by-law and remain in effect until amended.
 - (3) The monthly rate shall be payable by the owner semi-annually to the Municipality in June and October, and shall be due on the same date that the June and October installment of realty taxes are due in each year and may be collected or recovered in the same manner as municipal taxes.

WASTE STORAGE ON PROPERTY

9. No collectible waste or non-collectible waste shall be placed on any property other than that upon which it is generated or so located on the owner's property as to cause a public nuisance or nuisance to the adjoining property owner.

MAINTAIN PASSAGEWAY

10. A passageway affording a convenient and unimpeded means of access to the items to be collected pursuant to this by-law shall be maintained and the passageway shall be of sufficient dimensions to enable the employees of the Municipality or of its contractors, servants, workmen and agents to load the items to be collected pursuant to this by-law on the collection vehicles.

MAINTENANCE OF GARBAGE STORAGE BUILDINGS

11. (1) The owner of property shall ensure all bins, structures or buildings for the storage of waste shall at all times be maintained in a clean and sanitary condition and constructed so as to prevent entry of rodents and insects.
- (2) The owner of property shall ensure all areas adjacent to bins, structures or buildings for the storage of waste shall at all times be maintained in a clean and sanitary condition and constructed so as to prevent entry of rodents and insects.
- (3) Where any property is not maintained in accordance with the requirements of section 11 (1) and (2) of the by-law the Municipal Law Enforcement Officer may order the owner of the property, by issuing a Notice to Comply, to bring the property into conformity with the provisions of this by-law within the time set out in the Notice.
- (4) The Notice will specify the time for bringing the property into conformity but in no event shall at times specify in the Notice be sooner than seventy-two (72) hours after the giving of the Notice.
- (5) The Notice shall be served upon the owner either:
 - (a) Personally; or
 - (b) By prepaid first class mail or registered mail to the last known address noted on the tax assessment roll. Service by prepaid first class mail or registered mail shall be deemed to be effective on the seventh day after the Notice is mailed.
- (6) If there is evidence that the person in possession of the property is not the registered owner of the property then the Notice shall be served on both the registered owner of the property and the person in possession of the land.
- (7) When an owner, having been served with a Notice under section 11 (5) fails to comply with the Notice within the timeframe prescribed, a Municipal Law Enforcement Officer or the Municipality's employees or any authorized agents acting on behalf of the Municipality may enter onto the property at a reasonable time and carry out the work required to bring the property in compliance with the provisions of a Notice as set out in this by-law.

UNSAFE PREMISES

12. Collection of collectible waste may be refused for any premises which in the opinion of the Municipal Engineer present an unsafe situation for Municipal employees or agents.

WASTE REMOVAL

13. (1) A municipality may remove and dispose of any garbage or other waste that has been deposited on a highway or other land owned by the Municipality in contravention of this by-law.

- (2) Any costs incurred by the Municipality pursuant to Section 3 (1) of this by-law may be charged against the premises upon which the garbage was generated or originated and collected or recovered in the same manner as municipal taxes.

DISPOSAL OF NON-COLLECTIBLE WASTE

14. Every owner shall provide for the proper storage, collection and disposal of non-collectible waste generated on the property of the owner.

GENERAL PROHIBITIONS

15. No person shall deposit or permit the deposit of non-collectible waste upon a public highway unless that person has provided for the proper storage, collection and disposal of the non-collectible waste in some manner other than collection by the Municipality.
16. No person shall remove or permit the removal of non-collectible waste from the property upon which it was generated unless arrangements have been made for the final disposal of the waste on a site approved by the Ministry of the Environment for such waste in some method other than collection by the Municipality.
17. No person shall remove or permit the removal of collectible waste from the property upon which it was generated unless the waste is placed for collection by the Municipality in accordance with all of the provisions of this by-law.
18. No person shall deposit or permit the deposit of trade waste upon a highway unless:
 - (a) Arrangements have been made for the collection of the trade waste in some method other than collection by the Municipality; and
 - (b) The trade waste is placed on the highway no earlier than 6:00 a.m. on the day arranged for collection and removed by 10:00 a.m. on the same day; and
 - (c) The trade waste is placed in a non-returnable plastic bag which shall be:
 - (i) of a capacity of not more than zero point eight (0.8) cubic metres and not than less zero point six (0.6) cubic metres;
 - (ii) composed of material of not less than 1-1/2 mil gauge material capable of carrying twenty-two (22 kg) kilograms of contents without tearing; and
 - (iii) securely tied when put out for collection
19. No person shall deposit or permit the deposit of trade waste from a place of business on a highway for collection on more than 3 days on any week.
20. No person, unless authorized by Municipal Council, shall pick over, interfere with, remove or scatter any collectible waste, recyclable refuse or trade waste after the same has been put out for collection.
21. No person shall transport any type of garbage, refuse or waste unless the vehicle has an enclosed body or a covering securely fastened to the body of the vehicle or, in the case of packer type vehicle, with hopper doors closed to prevent the scattering of the waste materials.

By-law 769-07

22. (1) No owner or occupant of property shall cause or permit waste to be located on any property other than in accordance with the provisions of this by-law.
- (2) Where any property is not maintained in accordance with the requirements of this by-law, any Municipal Law Enforcement Officer may order the owner of the property, by issuing a Notice to Comply, to bring the property into conformity with the provisions of this by-law within the time set out in the Notice.
- (3) The Notice shall specify the time allowed for bringing the property into conformity but in no event shall the time specified in the Notice be sooner than seventy-two (72) hours after the giving of the Notice.
- (4) The Notice shall be served upon the either:
- (a) Personally; or
 - (b) By prepaid first class mail or registered mail at the last known address noted on the tax assessment roll. Service by prepaid first class mail or registered mail shall be deemed to be effective on the seventh day after the Notice is mailed.
- (5) If there is evidence that the person in possession of the property is not the registered owner of the property then the Notice shall be served on both the registered owner of the property and the person in possession of the land.
- (6) When an owner, having been served with a Notice under section 21 (2) fails to comply with the Notice within the timeframe prescribed, the Municipal Law Enforcement Officer or the Municipality's employees or any authorized agents acting on behalf of the Municipality may enter onto the property within any reasonable time and carry out the work required to bring the property into compliance with the provisions of this by-law as set out in the Notice.

RECOVERY OF COSTS

23. When the Municipality, its employees or authorized agents has performed the work required to bring the lands into compliance with this by-law, the expenses incurred by the Municipality in doing the work shall be deemed to be taxes and may be collected by action or the cost may be added to the tax roll for the lands and collected in the same manner as taxes.

PENALTIES

24. Every person who contravenes any of the provisions of this by-law or who obstructs or attempts to obstruct the Municipal Law Enforcement Officer or employee or agent of the Municipality in carrying out his or her duties under this by-law is guilty of an offence and is liable, upon conviction, to a maximum fine as established pursuant to the *Provincial Offences Act*, R.S.O. 1990 c. P.33.

SEVERABILITY

25. Where a Court of competent jurisdiction declares any section or part of a section of this by-law invalid, the remainder of this by-law shall continue in force unless the Court makes an order to the contrary.

REPEAL

26. By-law No. 4083-93 of the Municipality of Leamington and By-law No. 4628 of the former Township of Mersea are hereby repealed.

EFFECTIVE DATE

27. This by-law shall come into full force and effect on May 7, 2007.

BY-LAW 788-07

Being a By-Law to amend By-Law Number 769-07 being a By-Law to permit the Municipality to exercise its powers under its "waste management" sphere of jurisdiction in the Corporation of the Municipality of Leamington

WHEREAS, the Council of the Corporation of the Municipality of Leamington at its meeting held May 7, 2007 enacted By-Law Number 769-07, being a By-Law to permit the Municipality to exercise its powers under its "waste management" sphere of jurisdiction in the Corporation of the Municipality of Leamington;

AND WHEREAS, the Council of the Corporation of the Municipality of Leamington finds it expedient to amend By-Law Number 769-07;

NOW THEREFORE THE COUNCIL OF THE MUNICIPALITY OF LEAMINGTON ENACTS AS FOLLOWS:

1. **THAT** Section 3. (1) shall be repealed and shall now be replaced with:
"3. (1) No person shall place collectible waste in any household type container, bundle or non-returnable plastic bag, except in accordance with this section."
2. **THAT** Section 4. (1) shall be repealed and shall now be replaced with:
"4. (1) No person shall place collectible waste out for collection except in accordance with this section."
3. **THAT** Section 6 shall be repealed and shall now be replaced with:
"6. Every person who puts out collectable waste must do so between the hours of 10:00 p.m. on the day before collection and 7:00 a.m. on the day of collection."
4. **THAT** Section 9 shall be repealed and shall now be replaced with:
"9. No person shall place collectible waste or non-collectible waste on any property other than that upon which it is generated or as located on the owner's property as to cause a public nuisance or nuisance to the adjoining property owner."
5. **THAT** Section 10. shall be repealed and shall now be replaced with:
"10. Every person shall maintain a passageway that affords a convenient and unimpeded means of access to the items to be collected which is sufficient to enable the employees of the Municipality or of its contractors, servants and agents to load the items to be collected pursuant to this by-law on the collection vehicles."

Dear Ms. Percy:

**Re: Set Fines - Provincial Offences Act - Part I
By-laws No. 110-11, 840-08, as amended; and 769-07, as amended of the
Municipality of Leamington**

Enclosed herewith are the original Orders, and original schedules of set fines for the above referenced By-Laws, the By-laws indicated in the schedule.

The setting of the fines does not constitute my approval of the short form of wording used to describe the offences.

I have forwarded the copy of the Order and the schedule of set fines to the Provincial Offences Court in Windsor together with a copy of the By-law.

Yours truly,

A handwritten signature in black ink, appearing to read "S. J. Fuerth".
